### Flying Shark 5.7 Classic

The Classic version has a full front deck, that can be covered with a burma teak. The boat attracts attention with its quilted upholstery, which can be folded into a 1.4x2.0m sunbed. The optional bimini or Cabrio is folded into a hidden cassette.

### Flying Shark 5.7 Bowrider

The Bowrider version is distinguished with its open bow and two comfortable bow seats. The reversible pilot & co-pilot seats allow common use of the table. The rear bench is also foldable into a small sunbed. The optional bimini or Cabrio is folded into a hidden cassette.

### Flying Shark 5.7 Capri

The Capri is available both with open or full full bow. The large sunbed is comfortable for 3 persons and it can be temporarily converted into anglers deck. The angler's seat is installed in multi-functional socket - which is used also for mounting of the Sun Umbrella, or the water-ski towpole.
